### REMARKS

Consideration and allowance in view of the foregoing amendments and the following remarks are respectfully requested.

This application is a Divisional of application 08/631,436. Claims 81-85, 87-105 and 107-120 are pending and correspond to Group IV of the restriction requirement of July 25, 1997 of the parent application. Group IV is drawn to a method of recording first chained information in a first portion different from a second portion having second chained information.

The above amendments to the Abstract and Specification are provided to correct minor typographical and grammatical errors. Accordingly, applicants respectfully request that the amendments to the Abstract and Specification be approved.

The claims have been amended above to define more clearly that which applicants regard as their invention. Accordingly, applicants respectfully request that the amendments to the claims be approved.

TAIRA et al. -- Appln. No.: 08/631,436

Early consideration and allowance are earnestly solicited.

Respectfully submitted
